

St. Angela's Donates to University Hospital Waterford

Embracing our school motto '*Not for Self but for Others*' is now more important than ever in these challenging and difficult times. Our hard working PSAC (Parents' School Advisory Committee) were in the process of organising our Annual Easter Raffle to raise funds for our school when school closures were announced. We are delighted today to deliver all the Easter eggs collected to University Hospital Waterford as a thank you for the wonderful work they are doing.

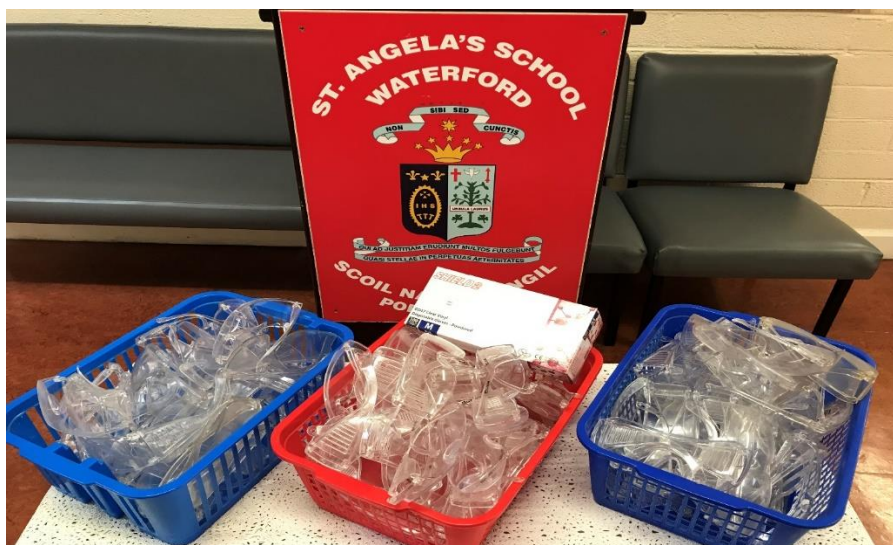

A big thank you to the parents for donating so many Easter eggs.

All our Science goggles have also been donated to the Emergency Department in UHW; we hope that this will help the staff in some small way.

Best wishes to all in UHW from the students, parents and staff of St. Angela's.

Thank you to Sergeant Dave Butler, Community Policing Waterford who delivered our donation of Easter eggs to Grace Rothwell, General Manager, University Hospital Waterford.
