As we finish the school year, I want to express my sincere thanks to the whole school community - students, parents and staff for your engagement since school closure on March 12th due to Covid 19. It has been a steep learning curve for us all and we have all learned new skills.

We are very proud of the girls. Our 3rd and 6th Years have had a particularly difficult time. They have shown great courage and resilience through these challenging times. They have also shown such kindness to each other by working together while being apart. There is, as you know, a strong focus on the importance of courtesy and kindness here in the Ursuline and we have seen this displayed so many times over the last few months.

Parents/ guardians have played a key role too in these uncertain times to ensure continuity of education for students. I want to thank you for your support and for taking time to give us feedback which informed how we moved forward with online teaching and learning. Many thanks also for sending on so many positive comments to support our teaching staff. I know you are most grateful for the determined approach our staff has taken to ensure that teaching and learning has continued for your daughters.

To our staff, sincere thanks for the incredible amount of work and the extraordinary effort that you have engaged in since school closure. You certainly have gone above and beyond the call of duty, shown tremendous generosity with your time and truly are a credit to the teaching profession.

I hope that all families continue to have good health as we finish the school year and face the Summer months. Please continue to look after yourselves and stay safe. The staff of St. Angela's look forward to welcoming your daughters back to school hopefully in September.

Wishing God's blessing on you all,

Best wishes,

Bernadette McGlynn
