Other PE activities

School trips are optional and organised on a pay-as-you-go basis. The TY booklet includes a list of trips which are planned for the coming year. We recommend that parents sit down with their daughters to discuss the programme in advance. This will enable families to budget for trips and to see what the programme entails. Payments for TY activities can be made on VSware.

Those who have already signed up for skiing and Delphi should note the following deadlines:

- *Skiing: Instalments can be made throughout the year through Topflight School web portal. Deadline for final payment is November 4th.*
- *Delphi: Full payment already made*

Notice of the Manchester trip will be issued in September. It is expected that the cost of this trip will be in the region of €550. Those wishing to travel will be asked to pay deposit of €100 in October. An instalments plan will then be put in place for balance payments. The final payment will be due in early February.

Students may also travel nationally throughout the year to career exhibitions, cultural events, educational events and open days. They also have a number of half-day trips, such as visits to WIT, GIY, the local libraries, Dunmore East Adventure Centre, Waterford Treasures, theatre visits and others. Any costs associated with these trips will be announced closer to the dates.
